# Terms & Conditions

**Application Offer:** This rebate covers products purchased and installed on or after January 1, 2016 through December 31, 2017. Details of this rebate, including rebate levels, are subject to change or cancellation without prior notice. This application form with required documentation must be received by January 31, 2018. Completed and signed applications must be submitted within 30 days of the equipment installation to be eligible for the rebate.

**Eligibility:** Rebates are available to Municipal Electric Utility (MEU) residential customers. Equipment must be installed in service territory of the participating MEU. Equipment must be installed by a licensed contractor in the service territory of the participating MEU. Eligible systems include ENERGY STAR® certified multi-speed and variable-speed pool pumps. To find out if your system is eligible, please visit:  
<https://www.energystar.gov/productfinder/product/certified-pool-pumps/>  
Limit one rebate per residential electric account in the MEU's service territory.

**Proof of Purchase:** An invoice itemizing the purchased equipment must accompany each rebate application form. The invoice copy must indicate the equipment type, size, make and model, serial number of the system and date of purchase and installation.

**Application Form:** This application must be filled out completely, truthfully and accurately. An authorized representative of the customer must sign, date, and submit the application along with the invoice, and manufacturer's equipment performance sheet.

**Payment:** Please allow six to eight weeks for payment. Payment process may take longer if information is missing on application. Call your MEU for additional initiative details.

**Approval and Verification:** Your participating MEU reserved the right to verify sales transactions and to have reasonable access to your residence, to inspect equipment installed under this initiative, prior to issuing rebates, or at a later time.

**Tax Liability:** Customers may be subject to tax liability for the value of the rebate received through the program pursuant to state and/or federal income tax codes. Please consult with a tax advisor on whether to include the amount of the rebate on your income tax filing. Your participating MEU will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

**Endorsement:** Your participating MEU does not endorse any particular manufacturer, product or system design in promoting this rebate.

**Warranties:** YOUR PARTICIPATING MEU DOES NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. The participating MEU makes no warranties or representations of any kind, whether statutory, expressed or implied, including, without limitations, warranties of merchantability or fitness for particular purpose regarding the equipment or services provided by a manufacturer or vendor. Contact your contractor for details regarding equipment performance and warranties.

**Limitations of Liability:** The liability of your participating MEU is limited to paying the rebate specified. The participating MEU is not liable for any consequential or incidental damages or for any damages in tort connected with or resulting from participation in this initiative.

**Assignment:** The customer may assign the rebate payment to a qualified contractor.

**Owner's Certification:** Owner certifies that he/she has purchased and installed the equipment listed above at the defined location. Owner agrees that all information is true and that he/she conforms to all initiative and eligibility requirements listed. Owner has verified that the units listed above have been installed correctly and that there are no unusual noises or vibrations. Owner, or owner's representative has been instructed on how to operate and maintain this equipment and has received all the necessary operation and maintenance manuals.

**ISO-NE Capacity Payments:** By signing this document, and as a condition of receiving a rebate pursuant to this program, customer hereby assigns to its participating MEU, whichever the case may be, all of its rights, title and interest in and to any and all Forward Capacity Market (FCM), or any and all other capacity-related credits or payment for which customer may be eligible from ISO-NE or such value associated with the settlement of such FCM or other capacity payment as determined through the ISO-NE FCM or other such like capacity supply auction or market (or its successors or replacements) for any capacity enrolled with ISO-NE.

Customer agrees and acknowledges that this installation of energy efficiency measures by him or herself or contractor may result in financial incentives or environmental attributes related to the customer's participation in the program which may benefit CMEEC and/or MEU. Customer hereby agrees to assign to CMEEC on behalf of the MEU any and all rights, title and interest in customer's portion, if any, of such financial incentives and/or environmental attributes.

**Acknowledgement:** Customer further acknowledges and agrees that customer is not to retain or receive any environmental credits or benefits that may be ascribed or attributed from time to time to customer's participation in the ENERGY STAR® Certified Pool Pump Incentive Program and any and all such benefits or credits shall be retained by the MEU.
